DEDICATION

We, the Lakeland High School Seniors of 1962, wish to dedicate our annual to Mr. Dennis Carey, our American Government teacher and loyal friend. In his classroom we learned much that will enable us to be better prepared for the life we will lead as the future leaders of our country. Mr. Carey's sense of humor and friendliness toward us is something we will cherish always. This annual dedication, in itself, is not a big enough way to express to Mr. Carey our gratitude and appreciation for the many things he has done to make our Senior year at Lakeland High School one that we shall never forget.

Student Body Elections

On September 13, 1961 the student body of Lakeland High School voted for student body officers for the school year 61-62.

During the week before election day various artistic and clever posters were seen throughout the hall campaigning for the candidates.

The election was held during our lunch period from 11:40 to 12:10.

The results of the election were as follows: President-Dave Terry; Vice President-Eugene Rearick; Secretary-Treas.-Carole Bates.

We of the Annual Staff are sure that the entire student body will agree with us when we say that our officers have done a wonderful job.

Boys' State and Girls' State are sponsored by the American Legion and the American Legion Auxiliary. Their purpose is to make better, more informed citizens of the Nation's youth.

The organizations serve to make only a small portion of teen-agers more aware of the actual workings of local, state, and national government. But, they hope that the patriotic interest which is aroused in the delegates will be passed on by example to their classmates.

CLASS PROPHECY

May 25, 1982

Dear Janet,

I was so happy to hear of your appointment as hair-dresser to the First Lady.

Thought I would drop you a few lines to let you know how the other members of our class of 1962 fared. Yesterday I received a letter from Carole Metsker. She is in Yakima, packing apples for a big concern there. She said that Blanche Roberts was the Vice President of one of their advertising companies. Carole also said that she saw Butch Roberts perform as a clown and Judy Rothermel as a bareback rider in a Yakima rodeo.

Recently, I had a chat with Dave Terry. He is now the head door-man at the Waldorf in New York. I was in New York to catch Sue Fletcher's show at the Starlight. While I was there I heard that Leland Poland landed on the moon for the tenth time. I decided to do some sight-seeing at the Rockefeller Center. As I was looking around I noticed Joan Ellis was scrubbing the floors. While we were talking she mentioned that Dallas Blood had gone to Australia to chase down some authentic boomerangs and see what made them come back.

Later as I went to catch my plane home I saw Judy Hegge and Jim Sedlmayer. Judy was on her way back to her missionary in Outer Mongolia and Jim was on his way home from the convention of his Palm Beach Bikini Company.

On the plane I saw Sherman Upchurch. He is now the flyweight Champion. He said that Bradford Bakie was his trainer. Sharon Anderson teaches karate in Brad's Gym.

I imagine that you already know that Paul Williams is Idaho's Senator and that Don Masterson is Chairman of the House Committee on Foreign Affairs.

Did you know that Leo Grogan ran a steam bath in Arabia? I also heard that Bonnie Macklin is the census taker and that Suellen Clifford is with the Metropolitan Opera. Speaking of singing, have you heard the Lakeland Trio? They are Delores Park, Carole Bates, and Lesley Ross. Another singer from our alma mater is Doug Gordon. He is now tops with the teen-agers all over the country--a regular Frank Sinatra.

I just heard that Sally Meyers won another hot-rod race. Did you know that Brian Hess was her mechanic?

After Wesley Allan's Twist Exhibition here at home I talked with him about old classmates and he mentioned that Bill Kessinger was polishing ball bearings for the Speedy Skate Company, and that Johnnie Griffiths was a highway patrolman.

Yesterday I watched the womans' soft ball league on T.V. and I noticed that Louanna Rainwater and Dorothy Marsh were co-producers of sports events.

Kenneth Brown, now a guide in Peru, gave an illustrated talk to the kindergarten where Twyla Schultz teaches.

During one of my lunch hours I saw Gary Sylte and he told me about his chosen profession, waste basket painting. He mentioned his bongo lessons and said that Larry Eldridge was teaching him.

Do you know why Tommy Cisco went over Niagara in a barrel? He was testing out a new design perfected by Dennis Bailey.

I think that is everyone except Kathy Chase, who is chairman of her own sewing club, and Russell Gill who picks cotton in Texas, Darryl Johnson who has his own Law Practice in Chicago, and Eugene Rearick who counts for the Diamond Tooth Pick Company. Well, I must sign off now.

Love,

Edna Vinson, Pres.
Pickle Packing Produce Co.

LAST WILL AND TESTAMENT

We, the senior class of 1962, being of sound mind, do generously and without reservation, give and bequeath unto the following people so named this, our last will and testament to the underclassmen and others who so diligently pursue us.

I, Leo Grogan, will my Great Brain to science.

I, Suellen Clifford, will my slim (?) sleek (?) figure to Sue Townsend.

I, Brian Hess, will my ability to sing Christmas carols to Kenny Salesky in the hope that he will lead his class in song.

I, Twyla Schultz, will my red-apple to Leon Blood, hoping that he will keep it polished and in good use next year.

I, Bradford Bakie, will my twisted radio to Paula Shaw so she will become the world's best twister during her senior year.

I, Carole Bates, will my girlish giggle to Elaine Blaisdell in hopes that it will liven up the room for her classmates as it has for mine.

I, Judy Hegge, will my good fortune in going steady with a handsome guy from Rathdrum to any Spirit Lake girl, providing she chooses him as wisely as I have.

I, Doug Gordon, will my seat in the front row in Latin class to Al Younker.

I, Dave Terry, will my ability to get into arguments to April Becker.

I, Carole Metsker, will my whistle to the lucky girl who gets to be leader of the drill team next year.

I, Eugene Rearick, will my lunches to Barry Simon, since he always tries to borrow food from me, anyway.

I, Jonnie Griffiths, will my ability to dance to anyone who needs it.

I, Milton Roberts, will my ability to "rile" any teacher to Joe Miller in the hope that he will get straight A's next year.

I, Wesley Allen, do hereby will my cadaver to the science department for future use.

I, Donny Masterson, will my knowledge of American Government to any junior who needs it.

I, Darryl Johnson, will my paid vacation from Kootanai County to Leon Blood.

I, Sharon Anderson, will my short skirts and tight toreadors to Rosie Johnson.

I, Bill Kessinger, will my red hair to David Atchison.

I, Blanche Roberts, will my over-sized purse and unwanted contents to Emily Jacquot.

I, Jim Sedlmayer, will my ability to do the "Fly" to Alan Younker and Mr. Carey.

I, Jan Krakenberg, will my wornout typing eraser and my ability to use it to Ronni Conklin for Typing II class.

I, Edna Vinson, will my ability to keep silent in Mr. Simon's classes to Sue Townsend.

I, Gary Sylte, will my ability to get black eyes to Barry Simon.

I, Bonnie Macklin, will my ability to goof up in bookkeeping to April Becker.

I, Judy Rothermel, will my ability to get to classes on time to Carolyn Saxe provided she doesn't abuse it.

I, Dallas Blood, will my ability to play basketball to Dick Schultz, and may he make better use of it than I have.

I, Louanna Rainwater (Christian) will my ability to get married before graduation to Carol Bleisner.

I, Dorothy Marsh, will all the knowledge I've gained in library class to Judy Kessinger.

I, Leland Poland, will all I know about Math. to Mr. Hawks so that he can show it to his chemistry classes next year.

I, Paul Williams, will my ability to call hogs to Margie Sylte, knowing she can surely use it.

I, Tommy Cisco, will my good grades to Carolyn Wallace.

To the sophomores we will our carved desks, torn books and broken pencils.

To the juniors we will our absence slips, our tardy slips and detention hall.

To the next year's annual staff we will the frustrations and headaches of trying to meet the deadlines.

RAY,
Howdy. I guess I'll have to admit that it has been a pretty NEAT year in inspite of Geometry (HA! HA!)
